

PROJECT 50
ANOTHER
PENTECOST

Thank you for reviewing the Target Cities of the South Central Texas District, UPCI!

Our vision with Project 50 is to see “Another Pentecost.” Pentecost is a transliteration of the Greek word *pentekostes* which means 50. Project 50 is a 36-month plan to establish 30 preaching points, 10 daughter works, and 10 self-governing works. This booklet shows you the current works in each section and the target cities identified for expansion by each presbyter.

Matthew 9:35-38 (KJV) tells us, “And Jesus went about all the cities and villages, teaching in their synagogues, and preaching the gospel of the kingdom, and healing every sickness and every disease among the people. But when he saw the multitudes, he was moved with compassion on them, because they fainted, and were scattered abroad, as sheep having no shepherd. Then saith he unto his disciples, The harvest truly is plenteous, but the laborers are few; Pray ye therefore the Lord of the harvest, that he will send forth laborers into his harvest.”

Many cities within our South Central Texas District have populations greater than 3,000 people and smaller communities that do not have an apostolic church. May the information and direction within this booklet be the foundation for praying, planning, preparing, and planting in these areas. God move us with compassion! Not just moved emotionally but moved into faith-filled action! Let us launch out into the deep for a net-breaking, boat-sinking revival!

Here are some practical steps we can take with the information provided in this booklet:

- 1. PRAY:** Pray for the Target Cities. Pray for revelation and receptivity to the gospel. Pray for open doors. Pray against principalities, powers, rulers of the darkness, and wickedness in high places. Pray to break strongholds. Pray for light to break forth into the darkness. Pray for God to send laborers into His harvest. Pray for open doors and key connections. Pray for a divine strategy to reach each community.

2. PLAN: Work with the plans laid out by each sectional presbyter and NAM director. Make plans to expand to neighboring communities and unreached people groups within each city. Set a goal and put a date on it. Identify potential leaders for church planting. Visit <http://sctxupci.com/nam/> and familiarize yourself with the NAM process for starting Home Bible Studies, preaching points, and daughter works. (Click the minister's toolbox listed under "Send" on the NAM page: http://sctxupci.com/wp-content/uploads/2020/01/SCTX.NAM_Resources-02.pdf.) Communicate your desire to plant a new work to your local, sectional, and district leadership.

3. PREPARE: Avail yourself of every training opportunity related to our mission. Train up leaders to be sent out (www.ministrycentral.com). Utilize materials available through the downloadable resources at www.upciministers.com. Strategic Growth Initiative (SGI) materials and resources found there give specific direction on planting churches. Gather resources for future expansion.

4. PLANT: Start planting seeds of faith with a prayer walk, a prayer meeting, a Bible study, a preaching point, or a daughter-work.

"He that observeth the wind shall not sow; and he that regardeth the clouds shall not reap" (Ecclesiastes 11:4).

A perfect season will never present itself, but the faithful must move forward despite the present challenges. May the Lord give us favor in the field!

¡Otro Pentecostés! A medida que el mundo avanza en agitación, confusión, depresión y toda táctica utilizada por el enemigo, nosotros, como Iglesia, enfrentamos un gran desafío. Sin embargo, la Palabra sí dice: “mayor es el que está en vosotros, que el que está en el mundo.” Spanish Ministries se une a la visión de nuestro Distrito de experimentar “Otro Pentecostés”. Su palabra promete que “La gloria postrera de esta casa será mayor que la primera”. Nos unimos en oración, ayuno y labor para hacer nuestra parte para traer la visión que Dios nos ha prometido, y juntos experimentaremos “otro Pentecostés”.

Another Pentecost! As the world marches on in turmoil, confusion, depression, and every tactic used by the enemy, we as the Church face a great challenge. However, the Word does say, “greater is he that is in you, than he that is in the world.” Spanish Ministries unites with the vision of our District to experience “Another Pentecost.” His word promises that “The glory of this latter house shall be greater than of the former.” We bind together in prayer, fasting, and labor, to do our part to bring forth the vision that God has promised us, and together we will experience “another Pentecost.”
